PROFESSIONAL EXPERIENCE

STUDENT MOBILTY COORDINATOR
Institut Polytechnique UniLaSalle | 2023 - 2025 | Rouen, France
- Maintained relationships with 60+ international partner universities, resolving issues and supporting program success
- Managed placements and provided ongoing support for 300+ outgoing students, ensuring smooth administration and consistent communication

PROJECT MANAGER
EM Normandie Business School | 2021 - 2022 | Caen, France
- Played a key role in the development and delivery of three new study abroad programs, overseeing the organization, execution, and student experience for both inbound and outbound participants
- Planned and coordinated program logistics, including transportation, accommodation, and activities

INTERNATIONAL PARTNERSHIPS MANAGER
EM Normandie Business School | 2021 | Caen, France
- Negotiated and managed cooperation agreements with over 90 international university partners and prospects
- Promoted and coordinated inbound and outbound student mobility, supporting a large and diverse student population
- Identified and developed new opportunities for international collaboration, including events and double-degree programs

BUSINESS DEVELOPER
E-Commerce Nation Academy | 2020 | Caen, France
- Prospected new clients in corporate solutions and e-learning markets
- Negotiated and maintained international event partnerships

PROJECT MANAGER
24/7 Teach | 2019 | Remote
- Coordinated the design and delivery of a program, from concept to launch
- Assisted with business models, growth strategies, and investment pitch preparation
